STATE LEVEL EXECUTIVE INTELLIGENCE DOSSIER

RSK Shaikshik Samwaad: Executive Visual Briefing

Two-Cycle Comparative Synthesis: Reconciled Universe Saturation (68,427 Base), Retention Funnel, Pedagogical Traps & 52-District Matrix | **Cycles:** August 2026 & September 2026

1. Executive Master KPI Suite (Two-Cycle Comparative Reconciliation)

Master KPI Metric	August 2026	September 2026	Consolidated Footprint	Strategic Trajectory & Lineage
District Saturation	**50 / 52** (96.2%)	**52 / 52** (100.0%)	**52 / 52 (100.0%)**	Dewas & Sehore vacant in Aug; 100% full coverage restored in Sep.
Active Venues	**2,874** Venues	**2,861** Venues	**5,735 Total Sessions**	2,822 Cluster + 52 DIETs (Aug) | 2,809 Cluster + 52 DIETs (Sep)
Classroom Teachers (CLSS)	**23,785** / 68,369 (34.8%)	**23,169** / 67,222 (34.5%)	**46,954 / 135,591 (34.6%)**	Attending Varg-2 teachers vs Facilitator target (Q72) across cycles.
Unique Teachers Reached	**23,785** Teachers	**23,169** Teachers	**33,866 Unique (49.5%)**	49.49% cumulative reach of the 68,427 statewide cadre base.
District Orientation (DO)	**4,454** Participants	**4,434** Participants	**8,888 (6,272 Unique)**	CACs & Lead Teachers oriented at District HQ prior to cluster rollout.
Master Facilitators	**4,814** Leads	**4,740** Leads	**2,896 Common (60.2%)**	6,658 unique cluster leads across 2 cycles (9,554 total facilitations).
State Pedagogy Score	**50.5%** Average	**55.3%** Average	**52.9% Composite**	**+4.8% pedagogical accuracy gain** from August to September.

2. Statewide Cadre Saturation & Retention Funnel (The 33,866 Footprint)

Persistent Core (Both Cycles) **13,088 Teachers (55.0% Retention)** Attended both August & September. Represents the stable pedagogical backbone of the state.	**August Churn (Dropouts)** **10,697 Teachers (45.0% Churn)** Attended August baseline but missed September. Key target for automated SMS & peer follow-up.
September Fresh Intake **10,081 Teachers (43.5% Inflow)** First-time attendees in September. Demonstrates expanding reach into previously dormant schools.	**Unreached Priority Cadre** **34,561 Teachers (50.5% Untapped)** Have not attended either cycle. Mandate cluster-level roster audits to activate these teachers.

3. Classroom Pedagogy & Misconception Matrix (46,954 Evaluated Responses)

Construct & Question	Diagnostic Focus	Constructive Mastery Option	Dominant Misconception Trap	Mastery %	Trap %
Q95: Hands-on TLM Purpose	Concrete to Abstract	Structured reflection & concept inquiry	*'Activities ensure learning automatically' (Activity Fallacy)*	**51.9%**	**48.1%**
Q96: Intellectual Safety	Error Remediation	Misconceptions as diagnostic entry point	*'Correct student immediately before they fail' (Corrective Reflex)*	**62.0%**	**38.0%**
Q97: Classroom Belonging	Normalizing Struggle	Normalize mistakes as natural learning steps	*'Praise only students with correct answers' (Performance Bias)*	**33.9%**	**66.1%**
Q98: Peer Dialogue	Collaborative Debate	Students debate & argue in small groups	*'Teacher summarizes topic after brief question' (Monologue Trap)*	**54.2%**	**45.8%**

4. 52-District Strategic Quadrants & August-to-September Trajectory

Q3: REACH GAP (11 Districts) • **Turnout:** < 34.8% | **Pedagogy:** ≥ 50.5% • **Profile:** High pedagogical mastery in urban hubs, poor rural block turnout. • **Districts:** Bhopal, Indore, Ujjain, Gwalior, Sagar, Hoshangabad, Ratlam. • **Action:** Enforce CAC/BAC cluster-level attendance quotas.	**Q1: CHAMPIONS (14 Districts) ★ ROLE MODELS ★** • **Turnout:** ≥ 34.8% | **Pedagogy:** ≥ 50.5% • **Profile:** Synchronized administrative push and academic quality. • **Districts:** Harda, Narsinghpur, Raisen, Shajapur, Neemuch, Dewas*, Sehore*. • **Action:** Institutionalize best practices; utilize DIETs as state mentors.
Q4: PRIORITY SUPPORT (12 Districts) ■■ URGENT ■■ • **Turnout:** < 34.8% | **Pedagogy:** < 50.5% • **Profile:** Dual systemic breakdown in both mobilization and instructional depth. • **Districts:** Alirajpur, Barwani, Jhabua, Singrauli, Sheopur, Dindori, Mandla. • **Action:** State RSK nodal officer visits; mandatory facilitator re-skilling.	**Q2: SCALE GAP (15 Districts)** • **Turnout:** ≥ 34.8% | **Pedagogy:** < 50.5% • **Profile:** 'Attendance Illusion' — high compliance but passive lecture delivery. • **Districts:** Chhatarpur, Rewa, Satna, Damoh, Panna, Tikamgarh, Bhind, Morena. • **Action:** Pivot facilitators to interactive peer problem solving.

5. Operational Quality & Executive Action Plan

• **Facilitation Fidelity (1,132 Audits):** 64.2% of venues met the 30:70 teacher talk ratio, while 35.8% remained lecture-dominated. 58.7% connected TLMs to concepts, while 41.3% treated materials as isolated craft.
• **Next Cycle Priorities:** (1) Target the 34,561 unreached teachers via cluster rosters. (2) Re-engage the 10,697 August dropouts. (3) Pair Q1 Champion DIETs (Harda, Dewas, Narsinghpur) to mentor Q4 Priority Support districts (Alirajpur, Barwani, Jhabua).

**Note: Dewas and Sehore logged zero submissions in August due to administrative scheduling gaps; both achieved 100% block coverage and entered Q1 Champions in September. All metrics strictly reconcile with the 68,427 Varg-2 universe.*
