1. Introduction & Purpose / परिचय और उद्देश्य

English

The **RSK Madhya Pradesh Master Dashboard** is an executive-grade business intelligence portal tracking statewide capacity building, peer learning, and academic monitoring under the **Cluster-Level Shikshak Samvad (CLSS)** and **District Orientation (DO)** programs.

- **Primary Goal:** Track monthly attendance, teacher retention, subject-matter competency, and operational friction across all 52 districts in Madhya Pradesh.
- **Empirical Baseline:** 68,427 middle school teachers (Grades 6–8, Varg-2 Cadre) across 322 blocks and 3,014 Jan Shiksha Kendras (CRCs).

हिन्दी

राज्य शिक्षा केंद्र (RSK) मध्य प्रदेश मास्टर डैशबोर्ड एक उच्च-स्तरीय रणनीतिक पोर्टल है, जिसका उद्देश्य **संकुल स्तरीय शिक्षक संवाद (CLSS)** एवं **जिला उन्मुखीकरण (DO)** कार्यक्रमों की प्रगति, उपस्थिति, शिक्षक निरंतरता और शैक्षणिक गुणवत्ता का सटीक विश्लेषण करना है।

- **मुख्य उद्देश्य:** मध्य प्रदेश के सभी 52 जिलों में मासिक शिक्षक उपस्थिति, प्रतिधारण दर, विषयगत समझ और प्रशासनिक चुनौतियों की रियल-टाइम ट्रैकिंग।
- **मूल आधार (Universe):** 322 विकासखंडों एवं 3,014 संकुल केंद्रों (जन शिक्षा केंद्रों) के अंतर्गत पदस्थ **68,427 माध्यमिक शिक्षक (वर्ग-2)**।

2. Global Slicers & Controls / ग्लोबल स्लाइसर और कंट्रोल

1. Cycle Slicers (मासिक चक्र स्लाइसर)

- **August 2026 (अगस्त 2026):** Shows single-month snapshot for August (23,785 teachers, 50 active districts, 2,897 active venues).
- **September 2026 (सितंबर 2026):** Shows single-month snapshot for September (23,169 teachers, 52 active districts, 2,971 active venues).
- **Consolidated (Aug + Sep) [समेकित]:** Displays cumulative multi-cycle metrics deduplicated via unique teacher IDs (**46,954 Gross Touchpoints | 33,866 Net Unique Teachers reached, 49.5% Net State Reach**).

2. Role Filters (पद आधारित फिल्टर)

- **All (सभी):** Aggregates responses across all participants.
- **Teachers (शिक्षक):** Isolates attending teacher responses and pedagogical feedback.
- **Facilitators (सहजकर्ता):** Filters responses from Master Facilitators leading cluster sessions.
- **Monitors (अवलोकनकर्ता / जनशिक्षक / बीएसी):** Filters on-ground monitoring checklists and compliance scores.

3. Geographic Dropdowns (जिला व ब्लॉक चयन)

- Select any of the **52 Districts** or **322 Blocks** to drill down from statewide totals to individual local performance.

4. Language Switcher (भाषा परिवर्तन)

- Toggle between **English** and **हिन्दी** with a single click. All labels, cards, questions, and descriptions update instantly without page reloads.

3. Tab-by-Tab Exhaustive Walkthrough / सभी 11 टैब की विस्तृत मार्गदर्शिका

Tab 1: Overview & Summary / समग्र अवलोकन

Purpose: Top-level executive overview of statewide reach, active centers, and participation volume.

6 Core KPI Cards Explained:

- Coverage Rate (कवरेज दर):** % of 52 revenue districts actively running Samwaad sessions (**96.2%** in Aug $\rightarrow$ **100.0%** in Sep/Consolidated).
- Training Centers / Venues (प्रशिक्षण केंद्र):** Total active physical venues (**3,018 Gross** | **3,066 Unique Venues**) = 3,014 CRC clusters + 52 DIET centers).
- Attending Teachers (उपस्थित शिक्षक):** Total middle school teacher turnout. Displays **Dual-Metric Equality** (**46,954 Gross** | **33,866 Net Unique**) = 49.5% Net Reach).
- District Orientation Participants (जिला उन्मुखीकरण प्रतिभागी):** District education leadership turnout (**8,888 Gross** | **6,272 Unique Officers**) with 58.7% cross-cycle retention).
- Trainers & Observers (सहजकर्ता व अवलोकनकर्ता):** Total support cadre (**10,724 Gross** | **7,409 Unique**) = 6,658 Facilitators + 681 Observers + 164 DO Leaders).
- Teacher Universe (शिक्षक संवर्ग आधार):** Total state middle school workforce (**68,427 teachers**) from **Varg Wise Teacher Count.xlsx**).

Tab 2: Key Goals & RF Matrix / प्रमुख लक्ष्य व जोखिम मैट्रिक्स

Purpose: Monitors foundational program goals and maps potential operational friction and risk areas.

- Program Goals Progress:** Tracks targets across Teacher Turnout, Facilitator Guide Adherence, and Monitoring Visit completion.
- Risk & Friction (RF) Matrix (2x2):** Categorizes questions and operational indicators based on *Friction Level* (Low/High) vs *Risk Impact* (Operational vs Pedagogical).

Tab 3: District Profile / जिला प्रोफाइल व 360° विश्लेषण

Purpose: 360-degree comprehensive diagnostic of any selected district among MP's 52 districts.

- District Selector Dropdown:** Select any district (e.g. *Indore, Harda, Mandla, Bhind, Singrauli*).
- Stakeholder 5-Spoke Radar Chart:** Plots 5 core dimensions:
 - Teacher Attendance Rate (%)
 - Facilitator Preparedness Index (%)
 - Monitor Observation Compliance (%)
 - Pedagogical Question Clarity (%)
 - Cluster Venue Utilization (%)
- District Turnout vs Target Bar Chart:** Compares actual teacher attendees against the district's Varg-2 baseline target.

Tab 4: District Rankings & League / जिला रैंकिंग व लीग

Purpose: Statewide comparative performance ranking across all 52 districts.

- League Table:** Ranks all 52 districts by Turnout %, Saturation %, and Mobilization Score.

4 Strategic Quadrants Matrix:

- Q1 Benchmark Models (22 Districts): High Reach / Low Friction (*Harda, Indore, Bhopal*).
- Q2 Resilient Frontier (11 Districts): High Reach / High Friction (*Mandla, Dindori, Jhabua, Barwani*).
- Q3 Critical Bottlenecks (14 Districts): Low Reach / High Friction (*Bhind, Morena, Rewa, Singrauli, Shivpur*).
- Q4 Under-Leveraged (5 Districts): Low Reach / Low Friction (*Gwalior, Ujjain, Sagar, Ratlam*).

Tab 5: Block Directory / ब्लॉक डायरेक्टरी

Purpose: Granular, searchable directory of all **322 administrative blocks** across Madhya Pradesh.

- Search & District Filter:** Search by block name or filter by district.
- Data Table Columns:** Block Name, District, Monitors, Facilitators, Teachers Attending, Varg-2 Universe, Saturation %, and Total Mobilized Cadre.
- Export to CSV:** One-click download button to export the entire 322-block dataset to Excel/CSV.

Tab 6: Survey Questions / सर्वेक्षण प्रश्न विश्लेषण

Purpose: Question-by-question statistical breakdown of feedback from Teachers, Facilitators, and Monitors.

- Question Master:** Displays Question ID, Role, Full Question Text (Hindi & English), and exact Option Distributions.
- Option Percentage Calculation:**
$$\text{Option \%} = \frac{\text{Count of Respondents Selecting Option}}{\text{Total Non-Null Respondents for Question}} \times 100$$

Tab 7: Teaching Quality & Pedagogy / शिक्षण गुणवत्ता व शिक्षाशास्त्र

Purpose: In-depth evaluation of classroom pedagogical translation and teacher conceptual mastery.

- 5 Subject Competency Progress Bars:**
 - Algebraic Expressions: **71.4%** (Proficient)
 - Cell Biology: **66.8%** (Competent)
 - Chemical Reactions: **59.2%** (Moderate)
 - Fractions & Division: **44.6%** (Misconception Risk)
 - Thermodynamics & Heat: **41.8%** (Severe Gap)
- Misconception Deep-Dives:** Root causes of Fraction Division (**38.2%** error) and Heat vs Temperature (**42.1%** error).
- Master Facilitator Multiplier:** Evidence showing **+18.4%** engagement in dual-facilitator cluster venues.

Tab 8: Key Actions & Governance / प्रशासनिक कार्य व गवर्नेंस

Purpose: Multi-tier institutional governance, cascade fidelity, and field observation tracking.

- Institutional Cascade Pipeline:** Visual flow from State Leadership $\rightarrow$ 52 DIETs (6,272 Unique Officers) $\rightarrow$ 3,014 CRCs $\rightarrow$ School Classrooms.

- **Observer Equity Disparity:** Highlights the monitoring gap between Urban clusters (**82%** coverage) and Remote Rural clusters (**54%** coverage).

Tab 9: AI Insights & Strategic Command / एआई अंतर्दृष्टि व रणनीतिक कमान

Purpose: Automated strategic intelligence synthesis and executive policy roadmap.

- **Macro Telemetry Matrix:** August vs September vs Consolidated comparative table.
- **Actionable 30–60–90 Day Roadmap:** Immediate 30–Day Deployment $\rightarrow$ 60–Day Scaling $\rightarrow$ 90–Day Institutional Maturity milestones.
- **PDF Dossier Download:** Direct button to download the printable executive research PDF.

Tab 10: Qualitative Research & Monograph / गुणात्मक शोध व अकादमिक अध्ययन

Purpose: Formal academic research monograph synthesizing $N = 66,566$ field records across Madhya Pradesh.

- **Bilingual Abstract Switcher:** Toggle between English Academic Abstract and हिंदी सारांश.
- **Theoretical Foundations:** Grounded in Vygotskian ZPD, Self–Determination Theory, and Psychological Safety.

Tab 11: Teacher Cohorts & Retention / शिक्षक निरंतरता व प्रतिधारण

Purpose: Longitudinal tracking of individual teachers across consecutive cycles.

- **Cohort Breakdown:**
 - **13,088 Repeat Champions (**55.0%** retention):** Attended both August & September.
 - **10,081 Fresh Intake:** September new attendees.
 - **10,697 Single–Cycle Dropouts:** August–only attendees (calling lists ready).
 - **34,561 Unreached Pool:** Potential capacity gap.
- **Mathematical Saturation Trajectory Model:** Formula $\text{Reach}_{t+1} = \text{Reach}_t + 0.285 \cdot (\text{Universe} - \text{Reach}_t)$ forecasting **81.5% unique reach by December 2026**.

4. Key Metrics & Calculation Formulas / मुख्य मैट्रिक्स व गणना सूत्र

Metric / इंडिकेटर	Formula / गणना सूत्र	Description / विवरण
Gross Touchpoints	$\sum (\text{Aug Turnout} + \text{Sep Turnout})$	Total session attendance instances across cycles (46,954).
Net Unique Teachers	$\text{Count}(\text{Unique Employee Codes})$	Deduplicated unique human educators engaged (33,866).
State Net Reach %	$\frac{\text{Net Unique Teachers (33,866)}}{\text{Total Varg-2 Universe (68,427)}} \times 100$	True workforce penetration rate (49.5%).
Cohort Retention Rate %	$\frac{\text{Repeat Champions (13,088)}}{\text{August Baseline Attendees (23,785)}} \times 100$	% of August teachers who returned in September (55.0%).
Facilitator Density	$\frac{\text{Total Active Facilitators}}{\text{Total Active CRC Venues}}$	Average facilitators per cluster venue (1.7).

5. Visual Chart Interpretation Guide / चार्ट व ग्राफ को कैसे पढ़ें

1. Donut Charts (डोनट चार्ट)

- Center cutout displays total volume (e.g. 23,169 Teachers).
- Arc segments represent proportionate stakeholder contributions with direct percentage labels.

2. Stakeholder Radar Chart (स्पाइडर / रडार चार्ट)

- 5 equidistant axes plotting scores from 0% to 100% .
- A balanced, expanded polygon indicates healthy multi-dimensional district performance. Dents highlight specific operational bottlenecks.

3. 2x2 Strategic Quadrant Scatter Matrix (रणनीतिक क्वाड्रेंट चार्ट)

- X-Axis:** Operational Friction (Travel distance, resource strain).
- Y-Axis:** Teacher Turnout % (Participation reach).
- Interpretation:** Top-right represents High Turnout with High Friction (Q2 Resilient Frontier); top-left represents High Turnout with Low Friction (Q1 Benchmark).

6. Color Tokens & Status Badges / रंग और स्टेटस संकेत

- **Emerald Green (#059669)**: Exceeded Benchmark / High Attendance / Positive Turnaround.
- **Signature Teal & Cobalt (#008aab / #1d4ed8)**: Standard Operations / Primary Brand / Core Cadre.
- **Amber / Orange (#d97706)**: Moderate Risk / Watch Status / Follow-up Call Required.
- **Rose Red (#dc2626)**: Critical Bottleneck / Low Turnout / Immediate Administrative Intervention Required.
